Hello All!

I am going to have to send my regrets for the meeting this morning. I hope you all are having a good fall! Here are some updates from the West End:

- 1) Babica Hen would like to invite you all to an end of the season party we are hosting on November 13th! We are coming up on the completion of our first year, and we could not do what we do without the support of the rest of you in the tasting rooms and B&Bs. Thanks to you all for welcoming Babica Hen into your town. I am proud to be a part of the community, and I hope you can all come by the party - we will have a great time. The invitation is attached :)
- 2) The West End now has a website! Please check it out: <http://www.dundee-westend.com>.
- 3) We are in negotiations to lease the bank space to a larger winery for a tasting room space. I will reveal more as I am allowed, but, if everything goes smoothly, the new tasting room would open in April 2015. This particular winery should be a good presence in Dundee.
- 4) I contacted folks at the State regarding communication during bypass construction. We had an issue over the summer with road work (not bypass related) taking place overnight directly outside of the Inn with absolutely no notice whatsoever. Obviously, this created furious guests which does not reflect well on our community as whole. This group knows that it takes everyone partnering together to create a hospitable environment for guests visiting the area. I know that Rob is going to keep us informed with information he has so hopefully we can at least be aware ahead of time to plan accordingly when and if there is overnight construction.

Take care everyone! I will see you all next month (if not before).

Joe
