Estimated Duration: \_\_\_\_\_ Quantity of Water Requested (Est.): \_\_\_\_\_

The above applicant hereby requests the City of Dundee to set a hydrant meter at the following location \_\_\_\_\_ for temporary water service pursuant to the following conditions:

**FEES:** Payment of \$340.00 is due at the time of application.

This fee includes the \$90.00 non-refundable account set up fee and the \$250.00 refundable meter deposit. The fee covers the installation and removal of the meter (by the City) and account set up. In addition, the applicant will pay a monthly meter rental fee of \$60.00 for each calendar month or part of; and a consumption charge of \$4.96 per 100 cubic feet (748 gallons). The meter will be read monthly and an invoice will be mailed which will include the monthly meter rental fee and consumption charge. Payment will be due on the 20<sup>th</sup> of each month.

Applicant must notify the City and verify the date of the final read to avoid continuing charges. The meter deposit will be refunded less any unpaid balance on the account or deduction for damage to the meter and/or hydrant. The hydrant water agreement may be terminated by the City Administrator at any time.

### **LOCATION OF METER:**

The location of the meter will be determined by the City of Dundee Public Works Department. The Public Works Superintendent will verify that there are appropriate backflow prevention measures in place.

### **LIABILITIES:**

The applicant assumes FULL RESPONSIBILITY for any and all damage to the hydrant meter and/or the City of Dundee's water distribution system caused by the abuse, vandalism, neglect, or misuse of the hydrant meter. Costs associated with damage, which exceed the amount of the deposit, will be billed to the applicant by the City and could result in the denial of future use of a hydrant meter. The applicant should secure the hydrant meter nightly for protection.
